MSB MA Community Email | February 18, 2014

Based on information presented at a School Based Medicaid Training this past fall, a narrative description of activities will now be required to post or submit a session in Lumea. This narrative requirement may be satisfied by providing a narrative at the session level or by providing a student-level narrative for every student in the session. We understand the additional burden this places on Service Providers, but we must abide by this new requirement to maintain Medicaid compliance.

Please forward this notice to your Lumea service providers.

Should you have any questions, or require training, please do not hesitate to contact [Steve Courter](#) at 603-692-1212 or Customer Care at 800-810-4220.
