MSB™ | Maine | September 8, 2014

In an effort to help your district maximize compliance, we will be modifying the Special Education Services options in all Maine Adori accounts to mirror the specific choices required in the Maine IEP, effective August 1, 2014. We have received guidance from the Maine Department of Education confirming that only the following options should be listed as Special Education Services on IEPs created after August 1, 2014:

- Specially Designed Instruction
- Consultation
- Speech and Language Services
- Tutorial Instruction
- Extended School Year Services

We will retire any previously customized Special Education Services that are available in your district's Adori account by September 30th, 2014 with an effective date of July 31, 2014. All IEPs created with a start date of August 01, 2014, or later, will reflect this change retroactively when viewed and printed.

Please contact your Program Specialist with any questions.
