Subject: Introducing Acuity

MSB™ Community Email | August 5, 2014

We look forward to having you join one of our webinars to get a first look at Acuity 504. This web-based system will simplify tracking and archiving 504 student information and plans. The webinar will allow attendees to see how the system will function and the benefits of having Drummond Woodsum's copyrighted forms automated.

Please click [here](#) to register to join one of our webinars.
